

## ACPS Inspection Checklist

Thank you for nominating your Connemara pony for inspection!

You need to send the following to Gloria LaCroix the inspection chair, prior to the nomination deadline:

- The nomination form
- Check made out to the ACPS for the amount of the inspection fee
- Two photos of your pony (without a saddle or rider); one from the side, and one from head on.
- A copy of your pony's registration paper.

Bring the following items with you to the inspection:

- The ACPS veterinarian form, including the height of the pony, which must be filled out and signed by your veterinarian. This can be completed when your vet fills out any state required travel dates).
- Copy of the Coggins result form (valid for one year) as required by site/state
- Copy of your nominated pony's HWSD test results OR a copy of both parents' tests results IF the parents are both N/N.
- Original registration certificate which will have a seal affixed if the pony is approved for original and/or premium inspection.

For any questions or concerns please contact Gloria LaCroix, Inspections Operations Co-Chair, (636) 675- 0674 [folklorecp@gmail.com](mailto:folklorecp@gmail.com)

Participants bring ponies to inspection at their own risk. Nomination fees are non-refundable, but inspection of a nominated pony may be postponed until a later inspection due to lameness, illness or other emergencies. Please do NOT bring sick ponies to inspection sites. If a nominated pony dies before the inspection, another pony may be substituted with new documentation.

Incomplete forms will be returned. The Inspection Team reserves the right to refuse to inspect any pony who presents itself in an unsafe manner to the handler, observers, or the Inspection Team.

I have read, understand, and agree to these conditions:

I agree to an oral presentation of this pony's inspection results

I do NOT agree to an oral presentation of this pony's inspection results

Oral presentations are offered as an educational opportunity for the pony owners AND observers. The ACPS Inspection Team appreciates pony owner's allowing for this opportunity.
