Editors: Janice Meyer janicemeyer1@live.com and

Welcome Person: Pat Reichle reichlep@earthlink.net

ELECTIONS

Mary has asked to be relieved of her duties as Region 5 Chairperson. We will be having elections for a Region Chair and a Region Governor. The ballot will be coming shortly.

Because the new Bylaws have passed, how we elect our Regional Chair and our Regional Governor is different. The new wording provides that they may be one person or two- if the chair wants to attend at least one ACPS BOG meeting a year to represent her Region, she may be the Regional Governor which is a three year term. If she (or he) does not, we elect a different Regional Governor. BUT only the voting members of the society may vote - that means the Senior or Life or Family members. Associate members do not vote. So if you want to vote, please step up to a Senior membership.

We need a quorum which is a majority of the members in the Region to vote!! It needs to be at least a month before the Annual Meeting of the BOG which is in September this year, so the ACPS Pres can be notified a month before the BOG meeting.

REGION V NEWS

Greetings from Onalark farm: Getting into the swing of summer since it arrived with a sweaty bang. Mother Nature's winter and spring made for sporadic riding at best so we are making up for that now. Nice to get back into a routine and begin to see more steady progress in fitness and training.

We are working on getting ready for the Midwest Connemara show with purebreds Prairie Dublin and Loughin's Journey and will be cheering on two former Onalark residents, Springhill's Liam and Woodchuck Ridge's Tolan McCool who now live in the Chicago area. Both ponies are owned by Art and Judy Richardson and are ridden by their very enthusiastic granddaughters McKenzie and Virginia.

This summer plans include trail riding and cross country schooling with an occasional local show as the green beans are ready for it. Martha has a Perch TB training project (thanks to the Richardsons) that has added a very pleasant individual to the ranks. Journey spent the winter loafing with a friend and will be working at conditioning and moving on. Sarah's nurse foal draft mare training project will be returning to her owner, another interesting addition to our herd while she has been here.

Hope all is well with all you other pony enthusiasts, always glad to hear from folks and will look forward to the gathering in Peotone in July.

Happy Trails, Martha and Sarah Slamer

News from Windy Isles Farms - It's been a busy Spring at Windy Isles. On March 27th Windy Isles Quiet Lady (*The Quietman x *Cree Lady by Forestview Sparrow) had a bay to grey filly sired by Windy Isles Island

Prince (Premium Stallion *Coral Bobby x *Fairyhill Queen by *Fairyhill Hawk) she has been named Windy Isles Belle Starr and is an extremely people-friendly and curious filly.

On March 31st *Summer Sun (Ashfield Jovial Joker x Silver Lady by Thunderbolt) had a lovely black colt to go grey sired by Windy Isles Island Prince. He is still unnamed. We are very happy with Prince's first foals.

May 7th our Quarter Horse mare Sadie had a lovely dark bay colt sired by *The Quietman. We have always been extremely pleased with this cross and really like this little colt and are planning on retaining him as a future riding pony.

Arbor Lane's Bailey (*Gunsmoke x Foothills Maybee by Balmullo's Beacon) is on lease in West Virginia and had a dun filly sired by *The Quietman on April 1st. The filly has been named Windy Isles Folly. She will return in foal to the thoroughbred stallion Triple Twist for a halfbred for next year. Triple Twist is one of the last stallions of the Bonne Nuit dynasty and bloodlines that produced such greats as Gem Twist. Should make for a fantastic eventing halfbred.

On April 12th *Fairyhill Queen (*Fairyhill Hawk x Kingstown Fairy by Village Boy) had a stunning palomino colt sired by Wildwych Eclipse (*Glenormiston Flurry Knox by Wildwych Dreamtime by Aran Milano (AUS)). He has been named Windy Isles Court Jester and we are extremely pleased with this cross. He will not go grey.

On April 15th *Kilmurray Aisling Owen (Glanns Owen x Aislings Dream by Westside Fred) had a chestnut to stay colt sired by *The Quietman. He has great bone and substance and a beautiful head.

John Keaney Blue Rock Connemaras in LaPort, IN writes: Blue Rock Connemaras is happy to welcome Wildwych Wily Casanova (*Bunowen Castle Ri x *Rudgeway Silver Filigree by Oxenholm Matador) to the farm where he will be standing at stud for the 2011-2012 season. He is a 4 year old Connemara stallion.

Also new to the farm is Wildwych Devil May Care (Wildwych Thunder Snow x *Glenormiston Roscrea by Oxenholm Gideon) a yearling colt.

Blue Rock Farm had two foals this year a colt and filly both sired by Wildwych Eclipse (*Glenormiston Flurry Knox x Wildwych Dreamtime by Aran Milano (AUS)). A colt out of *Murvey Inver Lor (Currachmore Cashel x Murvey Cara by Boden Park Finnard) and a filly out of *Grey Pearl (Earl of Newbridge x Grey Duchess by Castleside Tigie). Included are some recent pictures of the filly and her dam Grey Pearl.

Erin Moira Lemrow writes - It's been quiet here for awhile but we do have some pretty awesome and exciting news to pass along! Our lovely dun mare, Shammer Gypsy Queen (*Ballinaboy Eamon x *Kingstown Bridgid) is expecting a foal in the next few weeks by the lovely and talented *Ard Celtic Art (foal pedigree on allbreedpedigree under Willows Gypsy Art). We are hoping for a classic Connemara foal who might want to grow up and be a sport superstar! The foal may be offered for sale or for part ownership if area breeders are interested. Please email for info. erinwillowrun@yahoo.com or call: 812-381-0428

We also are pleased to announce that our 3 year old gelding Willow's Lord of the Dance is now well under saddle and doing fabulously well. A big thank you goes to Amanda Pierce of Red Top Farm, Union Michigan for bringing him along. Amanda describes his work ethic as "awesome" and his movement like that of a "little warmblood". He is a gorgeous fellow looking for a special someone to love him and treat him with kisses. He is located in northern Indiana and offered for sale , asking \$6500. OBO.

Kathy Caldwell writes - I can give you a little news from the Dunton Farm

Loughin's Prima Dona is for sale, I am not young enough to manage a young green horse and do not have the endless funds to keep her with a trainer till she is ready for this old lady. Dona has been under saddle for over a year - she is doing walk trot - I slowed her progress a lot - she is a great trailer loader - goes 1-2 times a week with the trainer since my accident - she has worked in open fields, with other horses, in an indoor arena, stands like a statue at the mounting block, gorgeous mover and learning to carry herself beautifully - a real dressage potential - call me 440-834-4043 to talk price - will be very reasonable to a good home.

2011 has not been kind to the Dunton Farm, starting with a downed tree, flooding basement (x13) fractured my pelvis - lost my faithful dog to old age - the year has made me look a little differently at what I want to spend my time doing - looking for a new dog after Labor Day - after Fair Band is over - I want to just get on my old ladies and mosey around.

There is going to be a variety of auctions this year at the Midwest Connemara Breeders Show and I have been put in charge. That means I need all the help I can get ranging from auction material to any suggestions anyone can give me on handling this job. I am looking for anything that can be given by shops of all kinds and anything that our talented people would like to make and present for the auction. I would also love to see a gift basket from each region based on a theme of their choice. Of course, there will also be the eagerly anticipated Split the Pot. Any questions, suggestions, would be appreciated. I can be reached at mrood@roadrunner.com, or 513-479-5843. Thanks, Marcia Rood

CONNEMARA PONIES FOR SALE - REGION V

Purebreds

To add a pony for sale or let us know if a pony can be removed from the list of For Sale ponies please contact Martha Slamer at marthas@gtownonline.com or phone her at 937-855-6063.

Surprise Beginning needs a job and that would be to have a wonderful foal for one of our members. She is one of the only New Beginning mares here in America. Her full bred 5 year old by Aladdin's Denver is now ready to event and the two Welsh crosses have gone to the hunter ring. Her yearling half bred by Denny Emerson's Formula One is turned out and will event in the future. She still could go trail riding and have GREAT babies. Well worth the \$2,500 I am certain. She will be a good match for any of the fabulous stallions available. Call Terry Kropp at 513-831-1739 or email me at marykropp@fuse.net.

Blue Ridge Contessa (10yrs old) is out of Blue Ridge Arabel and sired by Kerymore Madison. Tess is 14.1 bay mare and is very good looking mare, sweet and very smart. Easy to breed, and she has had no issues giving birth. Because she is not 100% sound I am asking \$5,400, Tess is broke to ride, but I have used her primarily for breeding. She has produced two gorgeous colts for me, very intelligent, athletic, and most important they grew to 14.2. If anyone is interested in learning more, I am happy to produce video or send pictures to anyone who is interested. blfnaf71@frontier.com Nicole Fiedler

Willow's Lord of the Dance: 3 year old gelding ready to start under saddle (grey and very substantial). Leads, lounges, halters, bathes, stands--overall gem of a pony. (Willow Boy x Tre Awain Miss Muffet) willowrun@bluemarble.net prices NEGOTIABLE

Willow's W.B. Yeats: *stallion prospect* coming yearling colt (bay to grey, will be large pony). Very handsome with power behind, straight limbs and friendly. (Willow Boy x Tre Awain Miss Muffet) willowrun@bluemarble.net prices NEGOTIABLE

Willow's Killydeere: coming yearling gelding (bright bay to stay), will mature around 13-13.2H. Absolutely adorable pony, kind as can be, perfect child or small adult first pony. willowrun@bluemarble.net prices NEGOTIABLE

I have a 6-year-old ACPS-registered bay gelding for sale, no white markings, 14 hands, very athletic, started under saddle, ready for next step into jumping and dressage and anything else asked of him. THF Liam Aodh Owain (Tre Awain Dobh McDuff x Maumturk Heather - x Abbeyleix Owen). Contact Linda Ashar, Thornapple Farms, Vermilion, Ohio, 440-967-2680 or ashar@hbr.net.

Woodchuck Ridge's Karlene a 13 year old mare who loves to jump is looking for a new loving home. She is 14'1 and has her ACPS bronze and silver mallidions in Hunters and points toward jumpers and combined training (she is doing Dressage good now too although she hasn't competed in it yet.) She has done a hunter pace that she loved - run, jump and play - her favorite things. She has had one foal and is a good mom. She would be perfect for an intermediate rider. She is also very willing to pony kids around too. Please contact Janice Meyer at (513)683-7867 or email janicemeyer1@live.com.

CS Independence rising 4 yo colt (still intact) by Balius Drumcolligan out of Rosland's Tollitche. "TJ" is dark bay, a really nice mover and built like a sport pony. Is very green at present. He is cryptorchid and will be gelded prior to being sold. He will go to the trainer's soon and price will go up with training but negotiable now at \$2,500. Should mature to 14.1 He

should make a very nice sport or dressage pony Jill McNichol CSEquine@aol.com

2009 halfbred filly by Landgate Bluebeard out of TB mare Stormy's Sister. Born 5/1/09 a bay. Very nice filly, bold and easy to work with. She learns quickly and likes going for walks around the farm. She has no problem leaving her buddies behind to go and explore. Her Irish Sport Horse half sister has started eventing and showing lots of promise. 2004 chestnut mare, Cross Fire Dew Drop by Snowford Bellman RID, out of TB mare. Didi went beg novice last year and truly loves jumping and going cross country. Huge stride, amazing temperament, lovely mover. She would be a great horse for a lower level rider to move up on. Inspected and approved by Irish Draught Horse Society (NA) for the Sport-horse studbook Videos on YouTube, search under Cross Fox Dew Drop. Contact Beth Blankenship 859 873 3768 bethb@iglou.com

Connemara TB Gelding. I have way to many horses and 2 children under 2 so some of the horses must go. His registered name is Aayden as a half bred. He is out of a 16hh Thoroughbred mare polo pony. His sire is Wildwych Eclipse. He stands almost 15hh now. His conformation is very correct. He has a Thoroughbred neck and a connemara butt. The best of both worlds! I have not been able to work with him as much as he deserves and I want to see him go into an eventing home as he deserves. He will be a great deal. Make offers. I also have some TB mares that would make good broodmares for half bred. I get horses off the track alot so people can contact me if looking for something in Thoroughbred land. 2003 ISR/Old mare by Mannhattan, 16.1. Great broodmare prospect for Connemara halfbred/sport ponies. Mee Na has an incredible warmblood pedigree. She is not an alpha mare. Her pasture mate was our 27 year old connemara broodmare, Serindipidy's Irish Spring, and Irish ran the show. Sadly, we lost Irish last summer. Mee Na has great ground manners, and is a "looker". She is friendly, loves attention and has substance. She does toe in slightly on her front right. She has had a little professional training, but I have really only been doing walk/trot with her. We can't afford to do anymore training or breeding at this point. A great opportunity for the right person, get a beautiful warmblood mare to put some training into or to breed. Would love to see her go to a "Connemara" home. \$3000 janet@marshwoodfarm.com 616-617-1401

James (Jim) D. Lightbody died May 6, 2011 at his home in Chagrin Falls. He leaves his wife of 71 years, Patricia (Calkins), and children, Thomas, Susan, John (and Nancy), Richard (and Chris), Mary, and George (and Dominique). A son, William, died in 2005, and Rick Noss, Mary's husband, in 2009. Jim also leaves his sister's son, Emerson (and Valerie) Parker, in Oklahoma. Jim leaves ten grandchildren: Amy (and Ryan) McCourt and Charlotte Noss in California; Lisa Lightbody in Arkansas; Anne Lightbody, John Noss, and Jack and Sarah Lightbody in New England; and Allison, Sam and Fiona Lightbody in Cleveland.

Born in Glenco, IL, Jim graduated Phi Beta Kappa from Harvard College in 1940, an outstanding track star. When he was elected President of the Harvard freshman class, he defeated John F Kennedy in the only election Kennedy ever lost. In 1942 Jim enlisted in the US Army, serving until 1945. Returning to Cleveland, he worked his way up in management in divisions of Thompson Products, Eaton, Cleveland, and was President of Lester Engineering. He was also one of the earliest entrepreneurs. In the mid 60's he started Electron Ohio in the basement of his Pepper Pike house; Electron grew to develop the computerized system to monitor the production line at Goodyear Tire and the toll system for the Ohio Turnpike. In 1977 he bought Philway Products in Ashland, Ohio and built it up to become a major printed circuit board house. After retiring, he started Just-in Time Builders, and built affordable houses in Hough.

Jim and Pat joined the American Connemara Pony Society shortly after purchasing their first Connemara (a mare, Hideaway's Hunky Dory) from Jackie Harris in 1975. One of the mare's foals was the legend, Erin Casco Bay, who was campaigned in dressage for many years. Jim was active in the American Connemara Pony Society with his wife Pat, and was glad to be involved in the establishment of the ACPS Foundation. Together Jim and Pat attended many ACPS annual meetings, and are well known throughout the ACPS family in the US and in Ireland.
