

AMERICAN CONNEMARA PONY SOCIETY

Document Number: INSP PO 4

Document Name: Inspections Education Subcommittee Policies

Purpose

The Inspection Committee Education Sub-Committee shall work with the ACPS and the Inspection Committee Chair to provide educational opportunities for its Inspectors and Inspector Candidates. Opportunities should be offered on an annual basis, held in conjunction with the ACPS Annual Meeting, when possible. Suggestions for Continuing Education opportunities are: clinics, workshops, speakers, hands on activities and should focus on Connemara Pony Type, and/or equine conformation, movement and related topics.

Responsibilities of the Education Sub-Committee Chair

- Work with the Inspection Committee Chair to provide educational opportunities for Inspectors and Inspector Candidates
- Determine the type of workshop required, based on input from the Inspection Committee
- Schedule workshops and/or clinics as suggested by the Inspection Committee and/or Inspection Committee Chair
